MEMORANDUM:-

S. W. 20 - 15 - 10 - W. 4th M.
Homestead of Mr. Alfred L. Hanson, since the 19th of October, 1909.

Cancellation proceedings were instituted on the 14th of September, 1910.

The homesteader submitted a defence on the 8th of November last, in which he claims to have been in residence from the 17th of April, 1910, till the 1st of September last, and to have built a house $65.00, and broken one acre $4.00.

He was then advised that it would be necessary for him to be in occupation by the 15th of December. His statutory declaration of that date, shows that he was then in residence.

However, the report of the homestead inspector dated the 23rd ultimo, is far from favourable. It is therein set out that the residence by Mr. Hanson could not be counted to his advantage as he is not doing residence in accordance with the Act. He is a bachelor and is working in town by the month driving a dray and sleeping on his homestead at nights. His homestead adjoins the townsite.

Please say if thirty days final notice will be given or cancellation carried out.

Respectfully submitted.

F. Fitzmaurice Dixon, Esq.,
Assistant Deputy Commissioner,

No excuses to offer. Istarted in with the savings of six months work and my resident duties faithfully and my improvement duties as fully as my earnings would permit. Occasion arose when I was called upon to protect my rights. Did so, and made an enemy, who, from what I have heard from the seat of authority, is now causing this uncalled for trouble.

Upon completion my resident duties in the spring of 1912, and knowing that I had two years more in which to prove up, I decided that while I was waiting for the second cropping, with out which I could not prove up, that I would, instead of needlessly sitting on the homestead and hiring my work done, go out for a while, work at what I could make the most money, and when my wife was big enough, come back. Get together a small out-fit, build that $700 house ... then prove up. This I feel sure I will be able to do next spring. Just before my five year time limit is up.

Kindly let me know at your earliest convenience if I may continue carrying out my plans.

I, Archibald Jim Sandow of Vancouver B.C.

do solemnly declare that the answers to the foregoing questions are true in substance and in fact; and I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath, and by virtue of *The Canada Evidence Act*.

SEIT

Sir,-

N.E.¼ Sec. 4 Tp. 7 Rge. 6 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Sirs:-

Re: S.½ 21-1-7-5. 4th Meridian,
retained homestead.
S.½ 22-76-13-5. 5th Meridian,
Land Division.

Referring to the application you gave made for the privilege of taking up a second homestead, I am to inform you that no amendment to the Dominion Lands Act has been passed granting bonus settlers, who had obtained patent or become entitled thereto on or before the 1st January, 1918, the right to take up a second homestead on the usual homesteading terms. Therefore, if you are the person who obtained pat nt for the S.½ 21-2-7-5. 4th Mer., and provided this is the only land for which you have original homestead patent, you are entitled to another homestead and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be an authority for granting you homestead entry for one vacant and available quarter-section of Dominion Lands on the usual terms providing no improvements of no number to the contrary.

Your application was provisionally dealt with under the amendment made to the Dominion Lands Act in 1918 and the S.½ 22-76-13-5. 5th Mer., which you selected for your second homestead, has been reserved for you pending the receipt of the evidence that you have become disencumbered of all your patented holdings in the "Dry Area".

You are now at liberty to make second homestead entry for the S.½ 22-76-13-5. 5th Mer., as it at present being reserved for you and you will be given ninety days within which to appear before the Agent or Sub-Agent of Dominion Lands and make formal application for homestead entry therefor. If you do not care when to obtain your quarter-section and desire to reserve some other land for your second homestead, you should immediately advise the Director, Dominion Lands, Ottawa, stating the quarter-section you prefer.

For your guidance we enclose herewith a copy of the Regulations governing homestead entries. Any communication you may have to this Department in this matter will be addressed to the Director, Dominion Lands, Ottawa, and not to any local officer.

The above party obtained the following Provincial seed grain and Joint Relief Advances giving as security liens on the title to the above land.

The latter moved to the northern part of the Province in the mid 20's with a view to re-establishing himself under more favorable circumstances. He has not been heard from for some considerable time and all trace of his whereabouts has been lost.

Taxes were allowed to accumulate on the above land with the result that title was taken by the Province in respect of one quarter in 1927 and the other quarter in 1928. The land is situated in a township which has received awards in each of the years in which same have been granted under the Prairie Farm Assistance Act and this fact is evidence as to the value of the desirability of the property. No sale materialized and eventually the land was transferred to the Department of Lands and Forests for administration. The policy of that Department is to hold such land available for lease. As the only demand for land such as this will be

DOMINION LANDS ADMINISTRATION

30th July, 1929.

Sir,-

S.E. ¼ Sec. 18 Tp. 3 Rge. 7 West 4 Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Your obedient servant,

John Fleming, Esq.,
Orion,
Alberta.

of Dominion Lands.

Sir,-

S.E. ¼ Sec. 26 Tp. 58 Rge. 6 West 5th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Acting Commissioner of Dominion Lands.

MEMORANDUM;

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler

Re: James McPherson Malcolm,
S.E.¼ 35-29-14-W.4th (S.G.)

The above described land is the unpatented soldier grant of this settler.

Subsequent to the initial loan approved in his favour on the 21st June, 1929, the settler secured from the Soldier Settlement Board advances totalling $5406.90, as follows: land $3672.00; permanent improvements $748.40 and stock and equipment $1986.50. As security the Director of Soldier Settlement, upon whom under Chapter 53,21-22, George V, has devolved all the powers and authority heretofore vested in the Soldier Settlement Board, holds a charge on the settler's soldier grant. The only other land security in this case is title to the S.E.¼ 30-29-15, W.4th, purchased for the settler.

3672.00
748.40
1986.50
$6406.90

It is reported that the settler has completed the duties in connection with his soldier grant and will be entitled to receive patent but for the charge referred to. This is confirmed by the letter from the Deputy Commissioner of Dominion lands to the settler, dated 24th April, 1931.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1621, enable the Minister, on completion of duties by the settler and on the request of the Director of Soldier Settlement to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Director, title remaining in the Director until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Director.

The settler has requested that title to the land be issued to the Soldier Settlement Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order to be in a position to negotiate a sale should he decide to do so at a future date.

Vesting order checked and found correct

Under the provisions.....

Under the provisions of the regulations referred to and in view of the powers accorded to the undersigned under the recent amendment to the Act, it is requested that the right, title and interest of His Majesty in the S.E.¼ 35-29-14-W.4th be vested in the Director of Soldier Settlement.

DOMINION LANDS ADMINISTRATION

30th June, 1933.

Sir,

N.E. ¼ of Sec. 33 Tp. 29 Rge. 14 W. 4th. Mer.

Some time ago you were in communication with this Department on the subject of a second homestead, and you were informed that you were at liberty, upon obtaining a Certificate of Approval from the Province, to select a vacant and available quarter-section of land, outside the Dry Area, and have such quarter-section reserved for you pending the fulfilment by you of certain conditions as prescribed Departmentally under the amendment to the Dominion Lands Act made in 1933.

I am now to inform you that at the last session of Parliament a further amendment was made to the Dominion Lands Act, reading as follows:

"Except as otherwise provided in this Act, every "person who has received or receives or has become or becomes "entitled to letters patent for a homestead by the performance "of homestead duties, with or without payment of purchase money, "or by the location of scrip thereon, shall be deemed to have "exhausted his homestead right and shall not be entitled to "obtain another entry for a free homestead.

"Provided, however, that any person who on the first "day of January, 1925, had obtained or had become entitled to "letters patent for a homestead as aforesaid, may be granted "the right to make entry for a second homestead, subject to the "provisions of this Act.

"The holder of a pre-emption or purchased homestead "entry shall not be permitted to abandon the same in his own "favour or in favour of a relative for the purpose of making "entry for the land as a second homestead under the provisions "of this subsection".

Under this new provision it would appear that, provided the land above described is the only land for which you have obtained homestead patent, you are now entitled to take up another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you, provided he is aware of no reason to the contrary, homestead entry for one vacant and available quarter-section of Dominion Lands anywhere in Manitoba, Saskatchewan, Alberta, or the Peace River Block in British Columbia, on the usual terms and subject to the provisions of the Dominion Lands Act and regulations thereunder.

If you are indebted to this Department for seed grain, fodder or relief, the land taken under authority of this letter will be subject to such indebtedness.

This replaces any previous action which may have been commenced in your case under the Dominion Lands Act amendment of 1933.

Your obedient servant,

John Archibald Hewatt, Esq.,
Lomond, Alberta.

Acting Commissioner of Dominion Lands.

MEMORANDUM:

Request for Transfer of Dominion Lands.

Re: John Grewar, #118018,
N.W.¼ 23-30-17 W.4th M. - S.S.

The above named settler secured advances from the Board totalling $3575, the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. Grewar requesting that patent to his soldier grant should be issued in favor of the Board. Mr. Grewar states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the settler, dated March 27th, 1926.

In order to enable a settler to negotiate a sale of land in cases of this character, special Regulations were promulgated by the Board as approved by the Governor in Council on the 4th day of June, 1921, (P.C. 1821), which enables the Minister, on completion of duties by the settler and on the Request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these Regulations, the Board hereby requests that the right, title and interest of His Majesty in the N.W.¼ of 23-30-17 W.4th Mer. be vested in the Soldier Settlement Board. The Vesting Order covering same is attached hereto for the Minister's signature.

Respectfully submitted,

John Bennett

Chairman.

AND WHEREAS John Grewar is a settler within the meaning of the Soldier Settlement Act who holds the N.W.¼ of 23-30-17-W.4th Mer.;

Sir:

SEP 15 1913

I beg to advise you that it will be necessary for you to have another witness attend before the Sub-Agent at Munson, to whom I am returning your application for patent for the South half of 24-28-13 West of the 4th Meridian, for the purpose of giving evidence in the place of Mr. Townsend, as it would appear from his evidence that he was only in residence on his land from Nov. 1909 to June, 1910. Such being the case you will readily see that he is not in a position to corroborate your residence in the years 1911, 1912 and 1913. It might be, however, that some error has been made on the part of the Sub-Agent, and such being the case you should have Mr. Townsend appear there in order that this error might be corrected and to resign his evidence after he has been resworn.

Agent.

Sir:

Under date of September 11th last, the application for patent of Mr. Robert Noble, for the South half of 24-28-19 West of the 4th Meridian was returned to the Sub-Agent's office at Munson, in order that Mr. Townsend, one of his witnesses might again appear there for the purpose of having his evidence in answer to question 2 properly completed. This application was returned here by the Sub-Agent, and as you will observe it would appear that this witness was resworn and re-signed his evidence before Mr. Robinson on the 30th of September last.

In conversation with Mr. Noble, during a recent visit from him, he informed me that as far as he can recollect Mr. Townsend never appeared at the Sub-Agent's office after the date on which he first gave his evidence, namely, June 10th, and if this is correct there is no doubt some irregularity in this respect.

I would also inform you that the signature to this affidavit is not in the handwriting of Mr. Robinson, the appointed Sub-Agent, and this is not the only case I have

I wish that you would take this matter up with the Sub-Agent and also that you might see fit to place this application in the hands of a Homestead Inspector to be properly completed.

You will also observe that question 7 parts (a) and (b) thereof has not been answered, and this will have to be completed and the applicant re-sign his evidence after he has been resworn.

General Check of Records
S. W. 24-28-19 W. 4th M.

According to our records this land was entered for by Mr. S. N. Noble on the 24th of January, 1910, and by Head Office letter of the 30th of March, 1910, Mr. S. Noble was given permission to abandon his homestead, a copy of the letter to him having been sent you under your Reference No. 61903. As this land has now become patented by Mr. R. N. Noble, it would appear that Mr. S. Noble's entry has been cancelled, but there is no record of this on our file, and I am to ask you to inform me in this connection sending me a copy of correspondence relating thereto.

Re Thomas Alexander Duncan,
SE¼ 20-34-12 W.4th M.
Your file 43086

I have received your letter of March 8th and note that Mr. Duncan states that he gave his age as 38 in 1916. That is correct but it was merely in the form of information given to the agent who took the application for entry for the land, and not an affidavit. At the bottom of the application the agent was instructed to obtain certain information, which in Mr.Duncam's case, was filled in as follows:-

Number in family including entrant giving their ages.	Country of birth	Subdivision of country of birth	Last place of residence.	Previous occupation.
1 38	Canada	Ontario	Lake Thelma P.O.Alta	Farmer

In his sworn statement dated December 15th,1919, furnished in support of his application for patent,Mr.Duncan, as stated in my letter of February 2nd, declared that he was then 38 years of age. The age was obviously wrong in one of these cases and that given in the sworn statement was naturally considered to be correct.

The information given may be sufficient for your purpose but if desired I could forward you a photostatic copy of either of the documents mentioned.

Yours very truly,

G.E.B.Sinclair,

Dear Sir:

Re: S.W. 34-32-7-W4

This Department has an old account against the above noted land for advances of seed grain to C.J. Tebbutt in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

This land is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

Mr. C.K. LeCapelain,

Re: Account of C.J. Tebbutt,
S.W. 34-32-7-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $254.40 was advanced to C.J. Tebbutt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 254.40	$ 589.68	$ 844.08

The S.W. 34-32-7-W.4th was formerly the homestead entry of the debtor on which security he obtained an advance of seed grain in 1919. His entry was later cancelled and is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 6th of June, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This land is unalienated crown land occupied at present under a long term grazing lease. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advance. Under the circumstances it is recommended that the indebtedness be cancelled.

1. That the indebtedness, which is more particularly described in the attached report, be cancelled without the requirement of any payment.

I beg to acknowledge the receipt of two declarations of abandonment executed by you in connection with your homestead and preemption entries for the South ½ of Section 2, Township 34, Range 8, West of the Fourth Meridian. Before, however, taking action on the declarations referred to, it is thought advisable to draw your attention to the fact that some time ago it was represented to the Department that you were desirous of obtaining an extension of time within which to commence your settlement duties, and it was decided that if you would furnish a medical certificate setting out that you were not physically able to go on the land it might be possible to grant you the protection asked for.

I beg to acknowledge the receipt of two declarations of abandonment executed by you in connection with your homestead and preemption entries for the South ½ of Section 2, Township 34, Range 6, West of the Fourth Meridian. Before, however, taking action on the declarations referred to, it is thought advisable to draw your attention to the fact that some time ago it was represented to the department that you were desirous of obtaining an extension of time within which to commence your settlement duties, and it was decided that if you would furnish a medical certificate setting out that you were not physically able to go on the land it might be possible to grant you the extension asked for.

In view of the foregoing, no further action will be taken in this matter for a period of thirty days in order that you may have an opportunity of again communicating with the department and stating your wishes in this regard.

Alexander Davidson

I am writing regarding the death of my father which occurred at Ensleigh on the 24th or 25th of May 1910 (last year) I have just been notified (by wire to the Masonic Order here) at 7.30 last night of his death at his place there at Ensleigh. I assure you that this a great grief to me, & totally unexpected. I have just been looking forward to his arrival home here, as he wrote me in his last letter, that he would leave Ensleigh soon after the 25th Nov. Now I think it my correct duty to complete the remaining duties & time in any manner. If you will be kind enough to tell me what they are, & the best way to proceed until I get the title to the land. From the date my father got on the land last year, until he left on Dec 3rd 1910, he put in exactly six months, although he was told that the time counted from the time he took up the land at the office. This year he left on the 30th day of March going direct to Ensleigh & has remained there to death fulfilling the duties necessary. I may also state that my father told me that he was informed at Red Deer office that the time would not count, unless it was from the same date each year, that he went on the land & that from that date each year, six months had to be completed. If such was the rule, owing to his not being able to get away to take up the land earlier the first he was at a great disadvantage for the three years. I told him that I had always understood that as long as the duties & time were put in for six successive months in each year it did not matter what months they were, but I could not alter his opinion after what he had been told at the Land Office & he said that he had paid the greatest attention to what he had been told there. Now I think that it is a most serious & cruel thing, if parties taking up land & most anxious to do their duties, to the utmost, are given wrong information

by those in charge of the land offices. 25553-50
without them being necessary in any way. I might also
mention that not hearing from my father, for two months,
after he wrote me on the 23rd of May 1911 from a calgary
Hotel saying that he intended to register for the land
the next day, I made all possible inquiries regarding him, first
I wrote to the Calgary office, & they referred me to Red Deer.
I then wrote there & they told me that he had not registered
there, although he must have done so. I gave him that letter
when he left here this year, & told him to see the people at
the office about it. The statement about the time having
to count, each year from the time he went on the land the first
year. I hold responsible for his death, because owing to his
having to get the crop in, I could not get him to settle here at all,
after the 1st of March this year, so finally seeing that he was anxious.
I let him go on the 29th. Of course this was alright, if he had
considered himself free to leave after six months & the duties
were put in on the land, but it was not so & he was too
conscientious not to fulfil his duties to the letter, consequently
I suppose the extra cold weather, we have had this fast week
all over the country was too much for him & he gave up
his life at his post.

I bought back a scrip for $800. chaque, & before I had paid
it I learned that there were duties to be put in, before we could
get a title to the land. Now of course that was near to me,
& I would not contemplate buying it under those circumstances at
all & I said so, but my father said he was there, & at liberty & could
like the chance to do the rest - if I would buy the scrip. I did not
want to buy the scrip at all but if I had not got it, I thought
it would look as if I want to buy the scrip & give it to him. So
I bought it & his name was filled in on it. It was his ambition,
as far as I know to get the title to the land & leave it to his
grandchildren (my two boys) & the only descendants of his family at
all. Now seeing that I am a widow (age 33) & two children
just 4½ & 6½ years old. I do not see if we could be possibly be
safe out there alone, so I would like to have the duties put in,

25553-50

by proxy if possible & would have to find a capable one.
I hope that my letter will not weary you. As I have
tried to keep it as concise as possible, & yet give all
the details & dates correctly. The land my father was
on was Section 2 Township 34 Range 8.
Province of Alberta. Hoping that you will be
kind enough to give this matter your attention
& help me by your advice to the best of your
ability, anxiously awaiting your answer

I Remain
Yours Sincerely
(Mrs) R. M. Potts.

P. S. I might also state that three years ago
my husband was brought back dead - the same
way as my father. As he had been ailing for
some time, while my father though older, was
always extremely well & hearty

17th July, 1912.

Copy to A. D. L. Calgary. Ref. 61262.

Madam,

I beg to acknowledge the receipt of your letter of the 28th ultimo and in reply I am to say that the legal representative of the late A. Davidson, who placed South African Volunteer Scrip on the South half of Section 2, Township 34, Range 8, West of the 4th Meridian, must perform the requisite cultivation duties ~~by building~~ a habitable house upon the land. It is not necessary to complete the unfulfilled residence duties. The cultivation conditions upon which your late father secured the land required that thirty acres of breaking should be done upon the land, twenty acres of which should be cultivated (a reasonable proportion of which work must be done in each of three years). At the time of application for patent it must be shown that thirty acres have been broken and that twenty acres are under cultivation.

Letters of administration, or probate of will, or a properly certified copy thereof should be filed in the Department as soon as possible. You should consult your lawyer with regard to having letters of administration issued in your favour. Should administration papers be issued in favour of a Trust Company they would be required to satisfy the Department that they are acting with the consent of the natural heirs.

Your obedient servant

Assistant Secretary

South African Volunteer Scrip of
Alexander Davidson.

I beg to acknowledge the receipt of your letter of the 18th ultimo and in reply to say that your statements are noted in regard to the death of your father, the above homesteader, and your desire to complete the duties and secure patent.

In the case of deceased homesteaders further residence is waived, and the legal representatives are only required to complete the duties in regard to cultivation and the erection of a $300.00 house.

It is also necessary to file with the Department letters probate of the will of the deceased homesteader, or if he died intestate, a certified copy of letters of administration. You should place yourself in communication with some lawyer in regard to having the necessary administration papers issued.

So long as the required duties are complied with the entry will not be disturbed.

For your further information I enclose herewith a copy of the latest printed homestead regulations.

Dear Sir
I am writing again regarding
South half of Section 2 Township 34. Range 8. I have
had the necessary duties completed on this
land, & would like to know how I am
to make application for it. I am told
that I will have to make application
in person. So consequently I will be
obliged to forfeit my holiday in England for the
summer, & return to Canada, as although the
Lawyer, Mr Locke of Calgary, who undertook to get the
administration papers out, has not done anything
at all yet in the matter, although he said that I
need not stay the winter in Alberta, & he promised faithfully
that he would attend to get out the administration papers as
necessary, promising me this in the presence of three other
parties. I gave the necessary bond, & after that the people
have no redress, they are still not allowed to get any
not allowed to act on their own behalf. So I now will
perhaps tell me, what I am to do in the situation, or
will it be necessary to write to the minister of Interior
regarding the matter.

Yours truly
A. M. Potts.

Dear Madam:-

Re. A. Davidson estate

Sometime ago Mr. E. C. Locke, Barrister, Castor, Alta, wrote to us in regard to the above matter and informed us that he was acting for you. Since that time we have written to Mr. Locke several times but he does not reply to our letters although they are evidently received by him as none of them have been returned to us.

At the time this matter was referred to us in our capacity as Public Administrator, Mr. Lyon, Castor, sent us $65.00 cash and a wallet containing a few papers which are not of any value and we wrote to Mr. Locke stating that we were willing to turn these over to him if it was your wish that we do so. We still have this money and these papers and we are willing to turn these over to the Administrator of the estate if anyone has been appointed. If no one has been appointed to administer

Dear Sir

2988620

I am instructed by the Patent clerk here (Mr Murphy) that when in Calgary I had that they had lost written Mr Locke Carter, as they had, according to file No 1875475. been instructed to do. Also that the Hunter & Insurance Co. Calgary contrary to my repeatedly expressed wishes took out administration papers. I enclose letter from them to myself in which I was offered through Mr Locke for the administration papers. If Mr Locke did not apply is not my fault but the fault of the Co, in allowing such lawsuits to persist. On the advice of Mr Murphy I have, I went & saw a lawyer here last Saturday & he said, that he could apply for administration papers necessary if I chose, but he thought it would only be a stumbling block & expense for me as he did not think I would get them as I had neglected to apply for so long. Now seeing that I have been trying to get the papers since X mas 1911. I think it is rather a farce. I would refer you to the last sentence of letter 1875475. & say that should form no part of that.

I may have attended to all the requirements in regard to the estate since my father's death, issued the Patents to the trustee Co, & will end the matter as far as I am concerned, because I do not intend to pay them any expenses in regard to said estate, as they have not had my permission to incur same & I have been most anxious to attend to them myself & keep down expenses. I have plenty without this, & I am perfectly willing to take out the administration papers if I can be granted them. As I should be if justice is denied, in the courts

Mr Murphy would like your instructions also, in regard to this case as soon as possible. Sorry to trouble you so often but, I see no other course

Yours Sincerely

(Signed)

Sir,-

Re N.½ 20-30-12 W.4th M.

Referring to your letter of the 14th ultimo, intimating the important that you have granted an Imp. Soldier settlement half-section and desired to make improvements in support of your desire to be permitted to make homestead entry for the North West quarter and soldier grant entry for the North East quarter, I beg to say that inasmuch as this half-section is reserved in support of exchange with the Canada's Land Company, the land is not available for disposition under the Land Settlement Regulations.

However, a copy of your letter is being forwarded to the Secretary of the Soldier Settlement Board in order that your representations may be taken into consideration. In the meantime, you will understand that your occupation of the land given you no right which the Department is bound to recognise.
